---

### Setting up your profile

Click on the My Profile tab at the top of the page.

Click on My Profile Info on the left and add your details.

Text you add to your Signature will be displayed at the bottom of each of your postings.

Click on My Avator on the left to add a picture or image (max 2k)

### Changing your password

Click on the My Profile tab at the top of the page.

Edit details

Save

### Reading, posting or replying to a question/ comment

Click on the Categories tab at the top of the page.

Select and click on the appropriate category

Click on New Thread to post a question/comment on a new topic

Click on Reply to respond to a question/comment

Please feel free to post your own tips to help other members get the most of the forum.

Best wishes
