
Navigating the Digital copywrite Maze

Posted by traceysaunders - 2009/09/29 10:11

Hi,

There was a great article on the Training Zone website this week with reference to how to avoid getting into bother over copywrite, and when it is ok to use a photo or u-tube and when it is not!

Because of copywrite I hesitate to cut and paste the whole article onto here, so I am only going to include the link!

<http://www.trainingzone.co.uk/topic/guide-navigating-copyright-maze>

Happy reading!

Tracey :silly:
