
Venue Hunt

Posted by B1B*Stella - 2010/02/19 13:27

Hi all,
I'm seeking venues and hope you will have some great ideas.

Does anyone know of a very reasonably priced, light and airy space in central Birmingham - I already know Orange Studios and am looking for something less expensive.

It's only for a small group (6 people) but it is to do a brain friendly Train the Trainer so needs to look, sound and feel great.

Thanks for your help.
Stella
