
Offer from ITOL

Posted by stella - 2009/05/22 11:35

Hi All
Both Ann and I are now Fellows of ITOL (CONGRATULATIONS ANN!!) and as you know they are accrediting our workshops too; and we are hoping to partner with them in some other ways and offer you some benefits through the BFLG.

They called me today to make a special offer due to some people dropping out of their Advanced Certificate in Training and Learning workshops so I wanted to make that available to you too. (so it's worth reading the forum!).

They are offering this fully accredited workshop at 1/2 price!

You can get all the details of the workshop on their website - or better still I suggest you call Diane McCormack at ITOL as there's not long left
Tel: 0151 707 8424 www.itol.org

Enjoy the bank holiday weekend.
Stella
