
possible opportunities for people with languages

Posted by B1B*Stella - 2009/07/14 19:22

Hi all,

I've been sent this opportunity - if you're interested then get in touch with the originator - details at bottom.

Dear All,

We are currently looking for bi-lingual trainers, who can train Financial Services Compliance.

There's might be a chance of a 30-90 days contract, initially in the UK and then through out Europe. Countries to be confirmed, but it's highly likely to be France, Germany, Spain; possibly some others. Initially the role will be classroom delivery of pre written material, possibly resulting in more writing and developing material as required.

The start date is likely to be before the end of August.

If you are interested in this possible opportunity, please send me your up to date CV and let me know which languages you can speak.

Please feel free to forward this on to anyone who might be interested.

Many thanks,

Karin
